Please tick **one** box only ✓

- 1 Refuse planning permission for the development described on the application form or in Section E.
- 2 Grant planning permission for the development subject to conditions to which you object.
- 3 Refuse approval of the matters reserved under an outline planning permission.
- 4 Grant approval of the matters reserved under an outline planning permission subject to conditions to which you object.
- 5 Refuse to approve any matter required by a condition on a previous planning permission (other than those in 3 or 4 above).

or

- 6 Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval. ✓

G. CHOICE OF PROCEDURE

There are 3 possible procedures:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1. THE WRITTEN REPRESENTATIONS PROCEDURE _____

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions or changes of use).

Please answer the questions below.

- | | | |
|---|-----|----|
| a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? | YES | NO |
| b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? | YES | NO |

If so, please explain below or on a separate sheet.

2. THE HEARING PROCEDURE _____ ✓

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure.

Please answer the question below.

- | | | |
|--|-----|------|
| a) Is there any further information relevant to the hearing which you need to tell us about? If so please explain below. | YES | NO ✓ |
|--|-----|------|

3. THE INQUIRY PROCEDURE _____

This is the most formal of procedures. Although it is not a court of law the proceedings will often seem to be quite similar, as the parties to the appeal will usually be legally represented and expert witnesses may be called to give evidence. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure.

Please answer the questions below.

- | | |
|---|------------------|
| a) How long do you estimate the inquiry will last?
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.) | No. of days |
| b) How many witnesses do you intend to call? | No. of witnesses |
| c) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below.
Please continue on a separate sheet if necessary. | YES NO |

H. GROUNDS OF APPEAL

If you have chosen the written representations procedure, your **FULL** grounds of appeal must be made, otherwise we will return the appeal form.

If you have requested a hearing or an inquiry, you do not have to provide your full grounds of appeal. You can provide only a brief outline of your grounds, but it must be sufficiently detailed and comprehensive enough to enable the LPA to prepare their case.

Refer to our booklet 'Making your planning appeal' for help.

Please continue on a separate sheet if necessary.

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? ✓ YES NO
