Wendy

I have spoken to Mike and he has agreed with EFA colleagues that we will withdraw the Class K application. Please take this as written confirmation of this and I would be grateful if you could reply confirming receipt of this.

I gather from the below that you will be away till the new year. As recommended by Paul Chadwick, Mike and I will make arrangements to meet with John Freer and Robert Angus in respect of the issues around submitting a full application.

Many thanks

Emily
