

**NOTES**

All dimensions are to be checked on site by the contractor before any work is commenced.  
 In the case of apparent discrepancy refer immediately to the architect.  
 The accuracy and completeness of this survey is dependent on the original survey and existing site conditions.  
 The type and extent of information and the survey accuracy will have been checked to the client's original requirements.  
 Twickenham Surveyors accept no responsibility or liability to any person without prior consent.  
 The detail of this survey was established for a general purpose and is not intended to be used for any other purpose.  
 The survey grid is not related to Ordnance Survey National Grid.  
 Level positions are indicated by a cross.  
 Levels refer to 1984 (ADN) 1984 datum indicated on topographic survey.
