

**Notes:**

The plan should only be used for its original purpose. SV Surveying Ltd accepts no responsibility for the plan if modified for any other party other than the original client.

All dimensions & levels should be checked on site prior to design and construction.

Designs information where applicable has been visually inspected from the air photo and should be treated as approximate only.

True information where applicable has been surveyed from ground level and therefore should be treated as approximate only.

The survey has been fixed to GPS OGD5 1939 using the active GPR network.
