G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

the box below

Having regard to the nature of the LPA's reasons for refusal which conflict with the national policy requirements, particularly regarding evidence of housing needs, student housing need and the weight to be accorded to different parts of the development plan as well as the need to question legal representatives regarding the provisions of the S106 Undertaking, it is likely that the Inspector will need to test the evidence by questioning both parties. The application has also generated substantial local interest from residents who are likely to wish to attend and participate in the appeal process.

Having regard to the above and in accordance with the Planning Inspectorate's guidance (Annex K), the appellant considers that a Hearing would be the most appropriate procedure for determination of this appeal.

3. Inquiry
