SYSTRA provides advice on transport, to central, regional and local government, agencies, developers, operators and financiers.

A diverse group of results-oriented people, we are part of a strong team of professionals worldwide. Through client business planning, customer research and strategy development we create solutions that work for real people in the real world.

For more information visit www.systra.co.uk

The SYSTRA logo is rendered in a bold, red, sans-serif typeface. The letters are thick and closely spaced, with a distinctive design where the 'S' and 'Y' have a slightly irregular, hand-drawn quality. The 'S' starts with a small hook, and the 'Y' has a sharp, downward-pointing tail. The 'T' is a simple, blocky shape, and the 'R' has a curved bottom. The 'A' is also blocky with a slightly open top. The overall appearance is modern and professional.
