U18692 Approved drawing numbers~~
 U18693 Summary Reasons for Granting PP~

SCHEDULE OF CONDITIONS AND INFORMATIVES TO APPLICATION 06/2153/HOT

DETAILED CONDITIONS

AT01 Development begun within 3 years

The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission. REASON: To conform with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

DETAILED INFORMATIVES

IH06C Damage to public highway

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and/or construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage. You are recommended to prepare a survey, including photographs, of the condition of the adjacent public highway, including pavement, which should be sent to the Local Highway Authority prior to the commencement of work to ensure that damage to the highway is prevented or repaired. Otherwise you and/or your contractor, may be held responsible for any damage found on completion of the works. If the pavement is already broken or damaged you should contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 8891 1411) to arrange a joint inspection of the footway before work commences.

IE05A Noise control - Building sites

Attention is drawn to the noise control provisions of the Environmental Protection Act 1990. Any enquiries for further information should be made to the Commercial Environmental Health Team, 7B Parkshot, Richmond TW9 2RT (Tel: 020 8891 7994).

IL10A Building regulations required

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control Section of the Street Scene department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

IL16HA Relevant policies/proposals - HOT

The following have been taken into account in the consideration of this proposal:- Unitary Development Plan - First Review 2005 policies BLT 11, 15 and 16

U18692 Approved drawing numbers~~

If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Control Department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 7300). For the avoidance of doubt the drawing numbers to which this decision refers are as follows:- Ordnance Survey Map, Existing and Proposed Drawings received 28th June 2006.

U18693 Summary Reasons for Granting PP~

The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission. The proposed single storey side extension would not result in an overbearing impact on, or excessive loss of light or privacy to, neighbouring properties and would not detract from the character and appearance of the building or surrounding area.
