Type of comment: Object to the proposal

Comment: We object to the proposal because it covers only cosmetic traffic flow changes around Chalkers Corner and Chertsey Court only. It does not address the issue of the extra traffic to an already over-congested area that would result from the over development of the former Stag Brewery Site. In particular it does not address the serious traffic jam bottle neck around the mini roundabout at the west end of Mortlake High Street (between Mortlake Station level crossing/Chalkers Corner/Barnes).
