Comments

Type of comment: Object to the proposal

Comment: Plans to widen the road at Chalkers Corner means that residents of Chertsey Court will have dozens of mature trees removed and busy traffic lanes brought even closer to their homes. Residents have not been consulted and Richmond Housing Partnership has not informed them of the plans and their impact. Traffic problems created by the development must not be passed on to other residents in the area. Has re routing the A3003 through the new development to Chiswick Bridge, bypassing Chalkers Corner, been considered?
