Reason for granting: The proposal has been considered in the light of the Development Plan and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is no demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission. The proposed development would not result in an overbearing impact on, or excessive loss of light or privacy to, neighbouring properties and would not detract from the character and appearance of the building or the conservation area. Principal Policies: The following have been taken into account in the consideration of this proposal: - Unitary Development Plan - First Review 2005 policies BLT 2, 11, 15 and 16 Building Regulations: The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage. You are recommended to prepare a survey, including photographs, of the condition of the adjacent public highway, including pavement, which should be sent to the Local Highway Authority prior to the commencement of work to ensure that damage to the highway is prevented or repaired. If the pavement is already broken or damaged you should contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 8891 1411) to arrange a joint inspection of the footway before work commences.
