### Comments

**Type of comment:** Object to the proposal

**Comment:** This plan does not deal with the potential paralysis of traffic between Barnes, East Sheen, Mortlake and Kew. South Circular traffic should be put underground from Chalkers Corner to the Brentford side of Kew Bridge and the A316 traffic on an overhead bridge from Chiswick Bridge to Manor Circus. The Highways Authority needs to think big on this area otherwise it will be mayhem and so bad for the economy in lost hours.
