Decision drawings: For the avoidance of doubt the drawing numbers to which this decision refers are as follows: OS map and 02 received on 14 June 2006. Reason for granting: The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission. It has been concluded that the proposal would not result in an overbearing impact on, or excessive loss of light or privacy to, neighbouring properties and would not detract from the character and appearance of the area. Principal Policies: The following have been taken into account in the consideration of this proposal: Unitary Development Plan - First Review 2005 policies BLT 11, 15 and 16. Noise control - Building sites: Attention is drawn to the noise control provisions of the Environmental Protection Act 1990. Any enquiries for further information should be made to the Commercial Environmental Health Team, 7B Parkshot, Richmond TW9 2RT (Tel: 020 8891 7994). Damage to public highway: Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and/or construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage. You are recommended to prepare a survey, including photographs, of the condition of the adjacent public highway, including pavement, which should be sent to the Local Highway Authority prior to the commencement of work to ensure that damage to the highway is prevented or repaired. Otherwise you and/or your contractor, may be held responsible for any damage found on completion of the works. If the pavement is already broken or damaged you should contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 8891 1411) to arrange a joint inspection of the footway before work commences.
