SCHEDULE OF CONDITIONS AND INFORMATIVES TO APPLICATION 06/2426/HOT

DETAILED CONDITIONS

AT01 Development begun within 3 years

The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission. REASON: To conform with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

BD08 Materials to match existing

No new external finishes, including works of making good, shall be carried out other than in materials to match the existing (unless the Local Planning Authority in writing otherwise agrees). REASON: To ensure that the proposed development is in keeping with the existing and does not prejudice the appearance of the locality.

DETAILED INFORMATIVES

U19225 Informatives

Decision Drawings: For the avoidance of doubt the drawing numbers to which this decision refers are as follows:- EH 2711/01 (Measurement Survey) and EH 2711/01 (Planned Drawings) received on 26 July 2006. Reason for granting: The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission. The proposed extension would not result in an dominate form of development, would not result in an excessive loss of light, outlook or privacy to the adjoining properties and would not significantly detract from the character and appearance of the building or surrounding area. **Principal Policies:** The following have been taken into account in the consideration of this proposal:- Unitary Development Plan - First Review 2005 policies BLT 11, 15 and 16 **Building Regulations:** The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control Section of the Street Scene department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411). If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Control Department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 7300). **Damage to the public highway:** Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and/or construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage. You are recommended to prepare a survey, including photographs, of the condition of the adjacent public highway, including pavement, which should be sent to the Local Highway Authority prior to the commencement of work to ensure that damage to the highway is prevented or repaired. Otherwise you and/or your contractor, may be held responsible for any damage found on completion of the works. If the pavement is already broken or damaged you should contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 8891 1411) to arrange a joint inspection of the footway before work commences. **Noise control - Building sites:** Attention is drawn to the noise control provisions of the Environmental Protection Act 1990. Any enquiries for further information should be made to the Commercial Environmental Health Team, 7B Parkshot, Richmond TW9 2RT (Tel: 020 8891 7994).
