Comment: I am very much against taking away from Chertsey Court to ameliorate poor planning in respect of the Stag Brewery redevelopment. I agree that traffic is a very real and serious problem overall, but why should Chertsey Court residents lose green space, mature trees etc and endure increased noise and pollution. So little of the planned new housing would seem to be public or truly affordable that it seems particularly insulting to detract from the fairly small amount of green space or other amenities enjoyed by the existing council housing.
