Type of comment: Object to the proposal

Comment: I am concerned about the loss of 'Other Open Land of Townscape Importance' (OOLTI) and the loss of mature trees. I believe that the proposal will increase traffic and that residents of Chertsey Court will suffer from an increase in poor air quality (it already exceeds EU limits). I also believe that the proposal will have a devastating effect on the residents of Chertsey Court and surrounding neighbours, who have the opportunity to enjoy the green space and accompanying mature trees.
