Address: 10 Brookwood Avenue Barnes London SW13 0LR

Comments

Type of comment: Object to the proposal

Comment: This proposal has not been thought through. The changes proposed will have negligible effect on the traffic flow in the area. It will deprive residents of Chertsey Court of parking spaces but more importantly the mature trees that currently give them some privacy and noise/pollution protection will be destroyed. The area is a traffic bottleneck due to the railway crossings at Sheen Lane and White Hart Lane and this will only worsen by bringing large numbers into the area either to live, work or attend school. A low density development is the only thing that could work in this area
