

## Comment on a planning application

### Application Details

**Application:** 18/0549/FUL

**Address:** Chalkers Corner Junction At Junction Of Lower Richmond Rd South Circ And Clifford Avenue Richmond

**Proposal:** APPLICATION C: Reconfiguration of Chalkers Corner traffic junction, to include existing public highway and existing landscaped and informal parking area associated to Chertsey Court, to facilitate alterations to lane configuration, a new cycle lane, works to existing pedestrian and cycle crossing, soft landscaping and replacement boundary treatment to Chertsey Court.

### Comments Made By

**Name:** Mr Mike McCutcheon

**Address:** 22 First Avenue Mortlake London SW14 8SR

### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed realignment is the sort of thing which should be considered to improve traffic flows purely to deal with EXISTING traffic congestion and pollution.

There is no way in hell that the proposed realignment would:

- solve the existing congestion and pollution

LET ALONE

- contribute anything to preventing the additional congestion and pollution which will be generated by the proposed housing development.
