### Comments

**Type of comment:** Object to the proposal

**Comment:** It is inhumane to expect the people who have lived in these flats for so many years to be moved closer to this horrendous level of pollution and to remove much of the protection (i.e trees) that they have from their existing grounds. A bench on a pocket of land on the opposite side of the Lower Richmond Road will not help prevent cancer and respiratory diseases, nor will it deal with increased noise pollution.
