

## Comment on a planning application

### Application Details

**Application:** 18/0549/FUL

**Address:** Chalkers Corner Junction At Junction Of Lower Richmond Rd South Circ And Clifford Avenue Richmond

**Proposal:** APPLICATION C: Reconfiguration of Chalkers Corner traffic junction, to include existing public highway and existing landscaped and informal parking area associated to Chertsey Court, to facilitate alterations to lane configuration, a new cycle lane, works to existing pedestrian and cycle crossing, soft landscaping and replacement boundary treatment to Chertsey Court.

### Comments Made By

**Name:** Mrs Sabina Burke

**Address:** 3 Wadham Mews Mortlake London SW14 7BA

### Comments

**Type of comment:** Object to the proposal

**Comment:** I strongly object to the proposed changes to Chalker's Corner on the following grounds;

The Chalker's Corner changes will not resolve the issue of increased traffic. The developer's plans include major road works at Chalker's Corner, aimed they claim, at improving traffic movements at peak hours. This is far from conclusive and may indeed simply attract further through traffic.

The proposals to change the junction at Chalker's Corner, which offers limited transport benefit, will move the traffic closer to the residents. This will have a devastating impact on Chertsey Court residents:

- Increased poor air quality and pollution due to increased traffic generation; it already exceeds EU pollution limits
- Increased noise and disturbance
- Loss of 'Other Open Land of Townscape Importance' (OOLTI) protected land contravenes planning policy
- Loss of mature trees

I fear for the future health and safety of my children by continuing to raise and educate them here in Mortlake.
