**Type of comment:** Object to the proposal

**Comment:** The widening of Chalkers Corner will mean a loss of mature trees and green space. It will bring traffic very close to Chertsey Court which will mean increased noise levels and pollution from traffic for residents of Chertsey Court. Those living in flats closest to the road won't be able to open their windows in summer — unless they want to breathe in traffic fumes and have their home life drowned out by traffic noise.

I would welcome the addition of a cycle lane but not at the cost of the trees.
