**ISSUE STATUS:**

Revision	Date	Change of layout
A	19/03/18	Change of layout
B	30/07/18	Addition of notes
C	16/08/18	Addition of doors and minor note changes

Public to enter via DG12 and DG13 when sports users are not using the changing rooms.

**Key**

- New wall Type I
- New wall Type II
- New partitions
- Raised sanitary fitting (in green)
- New sanitary fitting (in blue)
- Raised door (in green)
- New door (in blue)
- Identified asbestos; refer to asbestos report

**HAZARD Asbestos**

Asbestos is present within this building; refer to the asbestos report.

- Notes**
- Ramp; pair of ramps and raised section of paving providing level access from the fire escape doors away from the building. The ramps will be minimum 1:21 and 1.8m wide.
  - Existing Railing Boot Scrapers; reset to suit the new paving level.
  - New External Tap; for cleaning mud from wheelchair wheels.
  - External doors; refurbished (or new to match existing) and fitted with new entrance and escape ironmongery. Public to enter via DG12 and DG13 when sports users are not using the changing rooms.
  - Redecorate external shutters.
  - Main Entrance Area; paving lifted and relaid to a minimum 1:25 fall to provide level access to the main entrance.
  - To the left of the door, the kerb to the road is to be removed to allow equal access for users who come to the Sports Building via the access road.
  - New step to resolve change in level between the new ramped surface and the maintenance yard.
  - New external window, style to match existing.
  - Existing window fitted with opaque film.
  - New robust internal door to allow shower area to be locked off from the WC's and to allow the WC's to be used by the public.
