Comment: I have strong objections to Item 2 Stable Block. The scheme will not create the ambience that will attract customers. The 'Overflow' will be void of charm and will not be popular as a seating area - waste of space and money. The outside area will be in the shade and the gravel will be unpleasant underfoot with rocking tables and chairs unless we all have to sit on benches. After all the consultations is this the best we can have for our park. Other areas of the scheme are acceptable.
