Type of comment: Support the proposal

Comment: Living in a property close to Marble Hill (11 Montpelier Row), I'm happy to support the application. English Heritage have consulted widely before coming up with this second set of proposals, and I believe they have adequately taken into account the previous objections. It is vital that this magnificent property and parkland should not suffer further degradation and that it should be restored to good condition and able to pay its way as a popular place to visit.
