Type of comment: Support the proposal

Comment: I support this proposal because Marble Hill House is badly in need of repairs and this plan would enable the house to be restored and to be open more often to the public. The restoration of the gardens would be a huge benefit to Twickenham and give an additional reason to visit Marble Hill. The refurbishment of the cafe is much needed and would provide the opportunity for a cafe with real character in a beautiful location. With sensitivity and careful planning, a new cafe could really enhance Marble Hill Park and not detract from it.
