**Type of comment:** Support the proposal

**Comment:** As a member of The Marble Hill Society I wish to register my wholehearted support for this proposal by English Heritage which I consider to be vital to the long term future of Marble Hill House and park. The house is in desperate need of conservation, the proposed recreation of Henrietta Howard's Pleasure Garden is also of great historical importance and the improvements to the park and facilities will be of great benefit to the community of Twickenham and further afield. This will also create several new full time jobs including apprenticeships and provide valuable education opportunities.

Most of all, I feel, the House must be preserved and re opened to the public so that it can be appreciated by many in the years to come.

Please do not miss this opportunity, I urge you please to pass this planning application so that the vital work can commence.
