**Comment:** Please renovate the oriental covered seating place. Don't knock it down.

Please ensure that if dubiously unauthentic, pleasure gardens are to be built (surely at great expense!), the view from house to river is protected. It would seem that pleasure gardens will diminish the view and is not in keeping with original 18thC drawings.

The children's fenced off area is perfect as it is. Children do not have to be 'doing' all the time. It is just as important for children to 'be'. My son benefitted from just 'being' in that safely enclosed green area and he hopes to help future generations of children in the family enjoy it exactly as it is.

Orchards sound interesting but surely will cost more to maintain? Are they to be organic?

Will the plans involve more traffic including industrial traffic along Richmond Road? If so, we can't cope with the increasing congestion already there.

Will the plans make it unbearably noisy and difficult to park, for residents in Orleans Road and Montpelier Row? If so, its a travesty.
