Comment: As President of the Marble Hill Society and author of a biography of the house's most famous former resident, Henrietta Howard, I strongly support this application. It will breathe new life into the house and bring Henrietta's story to a huge range of new audiences. I consider it to be well-researched and sensitive to the history of the house and gardens. I very much hope that it gains the Council's support and can go ahead in its full form. Tracy Borman
