Comment: This is a lovely park and beautiful as it is. I would be concerned about spoiling that special ethos of the park. There car park is overrun at the weekend and could not cope with extra traffic. The cafe is part of the experience and it would be sad to see it change. Catering near the pitches and adventure playgrounds would be a better source of revenue catering for the existing visitors as the service is too slow in the existing cafe. There are already three playground to choose from why one in nearby Orleans gardens why do we need more?
