Date 28/09/2018

Planning Application 18/2977/FUL Marble Hill

Dear Sir,

I wish to record my firm support for the new planning application by English Heritage. There are many changes from the last application, prompted by user comment.

As parents and friends of the One O clock Club and Nursery we believe the changes will underpin the continued success of the Play Group Buildings by improving the natural ambience and providing a better public awareness.

Signed
