Comments

Type of comment: Object to the proposal

Comment: Whilst I do not disagree that the site should be developed, my main concerns are:-

- Density of traffic both during and after construction, in an already congested area.
- The development only allows for the passing of single vehicles, adding to the congestion.
- I believe there are insufficient parking spaces allocated for residential and business use. And no provision for visitor parking.
- The level of recreational space is very low for a development of this size.
