

## Comment on a planning application

### Application Details

**Application:** 19/0646/FUL

**Address:** GreggsGould RoadTwickenhamTW2 6RT

**Proposal:** Demolition of existing buildings (with retention of single dwelling) and redevelopment of the site to provide up to 116 residential units and 175sq.m commercial floorspace; landscaped areas; with associated parking and highways works and other works associated with the development.

### Comments

**Type of comment:** Object to the proposal

**Comment:** The site is too small for the amount of units planned.

-Layout and density of buildings and its impact on the local area and services.

-Traffic generation , highway safety and road access .

- Adequacy of parking ,loading & turning- not enough parking provided for the number of units proposed in this development. And I don't believe that they will not be able to join the local WT residents parking permits in a couple of years or Even sooner !!

This development does nothing for the community . Has not opened up the river Crane or added any more play spaces , or helped with any other amenities that this community needs like schools .
