Type of comment: Object to the proposal

Comment: I am writing to object to the proposed development on the Greggs Bakery site for the following reasons:

- 1)The proposed building for the corner of Gould Road and Crane Road is far too high and its height is not in keeping with existing buildings. Due to the height houses will be overlooked.
- 2)Frequent traffic congestion already take place on the corner of Gould Road and Crane Road. More than a dozen times a day cars have to back down Crane Road to make space for oncoming vehicles, numerous delivery vans, small and large lorries and a large number of cars.
- 3)The lack of sufficient play area on the proposed plans for the estimated 100 plus additional children residing in the new development. Children will be forced to play on the street and due to the several blind spots and frequent traffic congestion this could result in traffic accidents.
