Type of comment: Object to the proposal

Comment: .Height of development of flats on corner of Crane / Gould Rd - overlooking loss of privacy.
.Housing backing onto properties down Crane road, loss of privacy. No screening to existing gardens proposed. Also, loss of light and overshadowing to existing gardens down Crane Rd.
.Traffic generation / highway safety - 116 residential units with 326 residents is too many. Congestion will be greatly increased.
.Layout and density of building. Schools and play areas over subscribed already, the proposed number of residential units is too many.
