Comment: This is a enormous build. With over 100 homes it will have an impact on our community.
The schools, parking and traffic.

With the increased numbers of vehicles going down and up the Meadway has already causing problems to the neighbourhood. Not to mention the football matches, fitness classes and general visitors and every day users to Kneller Garden.

The flats seems to be towering over the houses. This will have an impact on the houses with loss of light or overshadowing.
