Type of comment: Object to the proposal

Comment: I live at number 48 Crane Road and object to this proposal. This is already a very over congested area with cars using the back roads as a shortcut to Twickenham. We have only just changed to permits which has reduced cars parking for free to get to work or to the airport. If this development goes ahead, there will be limited parking again. The higher story buildings will affect my privacy and light and will be overlooking my home on a vast scale. I have lived in my home for over 25 years. I am very aware of the dynamics of Crane Road in terms of traffic and I strongly feel that this development will be detrimental to the local area with additional homes, cars and a larger population in an already cramped environment with narrow roads.
