Comment: I do not support the planned development. It will put pressure on busy roads and in an area that is very built up already. Parking is already an issue in these areas if Twickenham and will be impacted considerably. Also, the impact on school places and play areas will also be huge. Please have consideration for the people of Twickenham and residents around Gould road and Crane road. Who will want to live in this lovely town if we just cram houses into small gaps?
