**Type of comment:** Make a general observation

**Comment:** Proposed building B at the entrance on Edwin Road. The application makes no mention of end use for this COMMERCIAL building whether offices or light industrial etc. I think it important to be clear on this before planning is granted so residents are aware of any potential noise or environmental impact especially as many residents work from home and/or have young children.

My understanding of the plans is there is zero provision for staff or visitor parking for this commercial space which is obviously an issue.
