Comment: 1. There is an abandoned day centre building at the end of Mereway Road near Kneller Gardens that has been empty and boarded up for many years. The developers could purchase this from the council and add additional residential properties with suitable parking and at a reasonable height. Alternatively this could be turned into a community hub for residents in the area.

2. The changing rooms in Kneller Gardens are currently unused and used as storage. These rooms could be extended and turned into an indoor addition to the current café and also used by the community.

Please can you also let residents know when the planning committee are going to discuss this application as I would like to attend.
