### Comments Made By

**Name:** Mr Richard Gale

**Address:** 54 Nassau Road Barnes London SW13 9QE

### Comments

**Type of comment:** Object to the proposal

**Comment:** I hate to admit it, but maybe some form of this proposal could be used to ameliorate the catastrophic increase in traffic and congestion resulting from the closure of Hammersmith Bridge. I have objected to the other proposals for residential/school development, which should be abandoned. Reducing the intervals between level crossing gates closures in the area would also help.
