### Comments Made By

**Name:** Mrs Fiona Vigar

**Address:** 189 Sheen Lane East Sheen London SW14 8LE

### Comments

**Type of comment:** Object to the proposal

**Comment:** For the same reasons as previous objections - the infrastructure in this area is not coping with current levels of traffic and residents. Traffic is at a standstill, pollution levels are dangerously high. This is an area for families and they are being poisoned. So little thought has been paid to the community in this whole application process. It is so disappointing to see this 'develop and profit' at all costs attitude that is present with the developers and, I fear, the council.
