Comments

Type of comment: Object to the proposal

Comment: Whilst many local residents welcome local investment and the development of the brewery site, the revised plans still do not alleviate the considerable concerns about the levels of increased local traffic and pollution. Mortlake roads are already regularly grid-locked and the extra housing and cars will make this so much worse. It is clear the residents of Chertsey Court will be considerably worse off, mature trees are being removed and the new designs for Chalkers Corner do not address the traffic problems.
