Comments

Type of comment: Make a general observation

Comment: As with the other permissions being sought in connection with the Brewery, it is clearly impossible for this build to happen while Hammersmith Bridge is shut. There are only three ways out of Barnes, and one of them is closed for 3 years. If we close this one as well, then Barnes will be gridlocked and it will be impossible for people to get in and out. It already takes an hour at peak times.
