Comments

Type of comment: Object to the proposal

Comment: It is morally wrong that the residents of Chertsey Court should lose a considerable portion of their green space and traffic buffer so that a property developer from the other side of the world can maximise its shareholders profits. This traffic alteration is not going to compensate for the increased traffic from the new residents and the school. The closure of Hammersmith bridge has shown that there is no spare capacity and we are living in a perpetual traffic jam.
