Comment: The Chalkers' Corner proposals will do nothing significant to deal with the traffic. Its impact is unacceptable, the residents of Chertsey Court will adversely be affected. The loss of mature trees and the moving of the road nearer the residents is totally unreasonable. The effects of pollution are becoming better known all the time, the residents of Chertsey Court will be badly affected by these plans, as will the residents of the Lower Richmond Road. This scheme takes no account of the residents of Chertsey Court, it is a short-term plan and will cost a disproportionate amount, the money could be better spent on affordable housing.
