Comment: Dear Ms Thatcher,

I have little to add to my comments of 14/5/18 (Ref:FS27947862), except to reiterate my view that these proposals will do more harm than good, and should be withdrawn. They will possibly increase the traffic flow at the junction itself for few months but this is in my view no recommendation and no business of Reselton. The money wasted here would be far better spent on definitive improvements to the Sheen Lane crossing. If Reselton want to get involved with alterations to the

A316 they could look at getting bicycles (and possibly cars) into their site via a slip road between it and the cemetery down to the unused arch at the south end of Chiswick Bridge.

Ben Mackworth-Praed.
