REASON: To accord with the terms of the application, for the avoidance of doubt and in the interests of proper planning.

U0064486 NS01 - Mechanical Services Noise Control

No mechanical services plant shall be installed other than in strict accordance with the details provided in the acoustic report submitted by HRS Services Ltd reference 124898 AC 3v6 and specifically section 5 Table 10 Attenuation Requirements. The plant shall thereafter be retained as approved, unless otherwise agreed in writing by the LPA.

REASON: In order to safeguard the amenities of neighbouring residents.

U0064487 NS02 - Kitchen Extract Odour Control

Prior to the occupation of the café, the kitchen extraction system hereby permitted shall be installed in strict accordance with the details provided in the odour control report submitted by Cooper 8 Ltd dated August 2018. The plant shall thereafter be retained as approved, unless otherwise agreed in writing by the LPA.

REASON: In order to safeguard the amenities of neighbouring residents.

U0064488 NS03 - Flood Risk Assessment

A. The development shall not be implemented other than in accordance with the approved flood risk assessment (FRA) Proposed Works at Marble Hill Park, Twickenham Flood Risk Assessment (Rev E) received on 14.11.18 and the compensatory flood storage measures detailed within the FRA.

B. Prior to the occupation of the café and house, the mitigation measures shall be fully implemented or in accordance with the timing / phasing arrangements embodied within the scheme, or within any other period as may subsequently be agreed, in writing, by the local planning authority.

REASON: To prevent flooding on site and elsewhere by ensuring that compensatory storage of flood water is provided.

U0064489 NS04 - Sustainable Drainage System

Unless otherwise agreed in writing with the Local Planning Authority, no works hereby permitted shall commence until such time as a scheme to dispose of surface water (and the timing for implementation) has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented and retained as approved, unless otherwise agreed in writing by the LPA.

REASON: In the interest of sustainable construction, to avoid excessive surface water runoff and to ensure that the surface water drainage system does not pollute the ground water below the site.

U0064490 NS05 - Cycle Parking

Prior to occupation of the café and House, a scheme showing the cycle parking facilities, as indicated on 581_PL_L_04 Rev G, shall be submitted to and approved in writing by the Local Planning Authority and thereafter implemented and retained. Such drawings to show the position, design, materials and finishes thereof.

REASON: To accord with this Council's policy to discourage the use of the car wherever possible.

U0064491 NS06 - Travel Plan

Staff and customer/visitor travel surveys shall be undertaken in accordance with a survey methodology to be submitted to and approved by the Local Planning Authority prior to it being carried out. Within 6 months of the use of the refurbished Marble Hill House commencing, a new travel plan based on the results of the survey shall be submitted with clear objectives, targets, actions and timeframes to manage the

transport needs of staff and customer / visitors to the development, to minimise car usage and to achieve a shift to alternative transport modes.

Following approval by the Local Planning Authority, the applicant shall then implement these actions to secure the objectives and targets within the approved plan. The travel plan (including surveys) shall be annually revised and a written review of the travel plan submitted and approved by Council by the anniversary of its first approval and yearly thereafter for a period of five years in total.

REASON: In order to comply with the objectives of national and local Planning Policies which promote sustainable development with particular regard to transport.

U0064492 NS07 - Parking spaces for specified uses

A. Prior to occupation of the café and House, the parking spaces within the main car park, as indicated on Drawing No. 17_146-001, shall be clearly marked out on site at all times and shall not be used for any purposes other than for the parking of private motor vehicles used by visitors to the site, unless otherwise agreed in writing by the LPA.

B. No coaches shall enter the park.

REASON: To ensure that the proposed development does not prejudice the free flow of traffic, the conditions of general safety along the neighbouring highway or the amenities of the area.

U0064493 NS08 - Delivery and Servicing Plan -cafe

The development hereby approved shall not be occupied until a delivery and servicing management plan for the Stable Block has been submitted to and agreed in writing by the Local Planning Authority. The scheme approved by the local planning authority shall be implemented at all times in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

REASON: To ensure a safe and convenient form of development with limited impact on local roads and to safeguard the amenities of nearby occupiers and the area generally.

U0064494 NS09 - Group visits

No coaches shall park at the site. Coach group visits to the park shall be limited to 25 visitors, unless otherwise agreed in writing by the Local Planning Authority.

REASON: To ensure a safe and convenient form of development with limited impact on local roads and to safeguard the amenities of nearby occupiers and the area generally.

U0064495 NS10 - Electric Vehicle Charging Points

A. The refurbished Marble Hill House shall not be occupied until a scheme for EVC infrastructure, in accordance with London Plan Standards (unless otherwise agreed in writing by the Local Planning Authority) has been submitted to and approved in writing by the Local Planning Authority (in consultation with TFL) AND the approved scheme fully implemented and thereafter retained.

REASON: To encourage the use of ultra-low emission vehicles.

U0064496 NS11 - Construction Method Statement

Unless otherwise agreed in writing with the Local Planning Authority, prior to the commencement (including works of demolition and felling of trees) of the relevant phase of the masterplan phasing plan (581_PL_L_38 Rev A) a construction management statement shall be submitted to and approved in writing by the Local Planning Authority. The approved plan shall be adhered to throughout the construction period. The Statement shall provide for:

1. The size, number, routing and manoeuvring tracking of construction vehicles to and from the site, and holding areas for these on/off site;

2. Site layout plan showing manoeuvring tracks for vehicles accessing the site to allow these to turn and exit in forward gear;
3. Details and location of parking for site operatives and visitor vehicles (including measures taken to ensure satisfactory access and movement for existing occupiers of neighbouring properties during construction);
4. Details and location where plant and materials will be loaded and unloaded;
5. Details and location where plant and materials used in constructing the development will be stored, and the location of skips on the highway if required;
6. Details of any necessary suspension of pavement, roadspace, bus stops and/or parking bays;
7. Details where security hoardings (including decorative displays and facilities for public viewing) will be installed, and the maintenance of such;
8. Details of any wheel washing facilities;
9. Details of a scheme for recycling/disposing of waste resulting from demolition and construction works (including excavation, location and emptying of skips);
10. Details of measures that will be applied to control the emission of noise, vibration and dust including working hours. This should follow Best Practice detailed within BS5288:2009 Code of Practice for Noise and Vibration Control on Construction and Open Sites;
11. Details of any highway licenses and traffic orders that may be required (such as for licences for any structures / materials on the highway or pavement; or suspensions to allow the routing of construction vehicles to the site);
12. Details of the phasing programming and timing of works;
13. Where applicable, the Construction Management Statement should be written in conjunction with the Arboricultural Method Statement, and in accordance with British Standard BS5837:2012 'Trees in relation to design, demolition and construction - recommendations', in particular section 5.5, 6.1, 6.2, 6.3 and 7;
14. A construction programme including a 24 hour emergency contact number;
15. See also TfL guidance on Construction Logistics Plans.

REASON: In the interests of highway and pedestrian safety together with the amenity of the area.

U0064497 NS12 - Stable Block Cafe

The ground floor of the Stable Block Café, as shown on plan 533-L-2002 - Rev C, shall be not be used other than an A3 use as specified in the schedule to the Town and Country Planning (Use Classes) Order 1987, or in any provision revoking or re-enacting that order, unless otherwise agreed in writing by the LPA.

REASON: To safeguard residential amenity of nearby occupants.

U0064498 NS13 - Cafe hours of operation & covers

The Stable Block Café, as shown on drawing no. 533-L-2002 - Rev C, shall not operate other than between the hours of:

- o 09:00 - 18:00 during the summer months (April-October)
 - o 09:00 to 16:00 during the winter months (November - March)
- unless otherwise agreed in writing by local planning authority.

The café shall not provide more than 162 covers:

- o 100 externally
- o 62 internally

No outdoor furniture shall be placed outside other within the outdoor seating terrace (581.PL.S.01 REV: 1) and in accordance with the product specification (GO IN PICNIC 10013N - WOOD LOCK), unless otherwise agreed in writing by the Local Planning Authority.

REASON: To safeguard residential amenity of nearby occupants.

U0064499 NS14 - Serving Hatch

The Serving Hatch, as shown on drawing no. 533-L-2010 B, shall not open to members of public other than between the hours of:

- o 07:30 - 18:00 between the months of April-October
 - o 07:30 - 16:00 between the months of November - March
- unless otherwise agreed in writing by local planning authority.

REASON: To safeguard residential amenity of nearby occupants.

U0064500 NS15 - Marble Hill (Main) House hours of

Marble Hill (Main) House, as shown on drawing no. 16_132 - 002, shall not be in open to members of the public other than between the hours of 10:00 and 17:00 (Wednesday to Sunday) between the months of April and October, unless otherwise agreed in writing by local planning authority.

REASON: To safeguard residential amenity of nearby occupants.

U0064501 NS16 - External Illumination

No external illumination shall not be installed, other than in accordance with the approved drawings or details which shall previously be submitted to and approved in writing by the Local Planning Authority, such details to include:

- locations of external lighting
- specifications
- lux plan (vertical as well as horizontal)
- spectrum of proposed lighting prior to implementation.

REASON: To protect/safeguard the amenities of the locality and nature conservation interests

U0064502 NS17 - Arboricultural Method Statement

Unless otherwise agreed in writing, prior to the commencement of development, an Arboricultural Method Statement (AMS), shall be submitted to and approved in writing by the Local Planning Authority. The AMS must:

- (A) Be written in accordance with and address sections 5.5, 6.1, 6.2, 6.3 and 7 of British Standard 5837:2012 Trees in relation to design, demolition and construction - recommendations

DETAILED INFORMATIVES

U0036309 Informatives from application 18/2977

Reason for granting:

The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission.

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

Providing a formal pre-application service:

- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

The application was amended following negotiations with the Council to ensure the scheme complied with adopted policy and guidance, and a decision was made without delay.

Principal Policies:

The original Committee report and the report associated to this application identifies the key policies that have been taken into account in the consideration of this proposal,

from the following documents: NPPF; London Plan; Local Plan policies and Supplementary Planning Guidance / Documents.

Building Regulations:

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control Section of the Street Scene department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Control Department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

Damage to the public highway:

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and (or) construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

BEFORE ANY WORK COMMENCES you MUST contact the London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ, Telephone 020 8891 1411 to arrange a pre-commencement photographic survey of the public highways adjacent to and within the vicinity of the site. The precondition survey will ensure you are not charged for any damage which existed prior to commencement of your works.

If you fail to contact us to arrange a pre commencement survey then it will be assumed that any damage to the highway was caused by your activities and you will be charged the full cost of repair.

Once the site works are completed you need to contact us again to arrange for a post construction inspection to be carried out. If there is no further damage then the case will be closed. If damage or further damage is found to have occurred then you will be asked to pay for repairs to be carried out.

Noise control - Building sites:

The attention of the applicant is drawn to the requirements of section 60 of the Control of Pollution Act 1974 in respect of the minimisation of noise and vibration on construction and demolition sites. Application, under section 61 of the Act for prior consent to the works, can be made to the Environmental Health Department.

Under the Act the Council has certain powers to control noise from construction sites. Typically the council will limit the times during which sites are permitted to make noise that their neighbours can hear.

For general construction works the Council usually imposes (when necessary) the following limits on noisy works:-

Monday to Friday 8am to 6pm

Saturdays 8am to 1pm

Sundays and Public Holidays- No noisy activities allowed

Applicants should also be aware of the guidance contained in British Standard 5228:2009- Noise and vibration control on construction and open sites.

Any enquiries for further information should be made to the Commercial Environmental Health Team, 2nd Floor Civic Centre, 44 York Street, Twickenham TW1 3AB.

The applicant is asked to contact Traffic and Transport, London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ (Telephone 020 889 1411), regarding the preparation of a "Travel Plan" to show the proposed means of travel by employees and prospective visitors to the site including control of the on-site car parking spaces.

The applicants are advised that when drafting the Construction Management Statement, as secured via condition, each 'point' of the condition should form a sub-heading in the Statement. Where a point is not applicable please state this, with justification.
