We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
19 Kneller Road  
Twickenham  
TW2 7DF

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
47 Heathfield South  
Twickenham  
TW2 7SR

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
7 Heathfield South  
Twickenham  
TW2 7SR

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
37 Milner Drive  
Twickenham  
TW2 7PH

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
13 Kendrey Gardens  
Twickenham  
TW2 7PA

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
20 Egerton Road  
Twickenham  
TW2 7SP

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
18 Chase Gardens  
Twickenham  
TW2 7PB

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
98 Craneford Way  
Twickenham  
TW2 7SQ

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing

London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
8 Chase Gardens  
Twickenham  
TW2 7PB

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
7 Egerton Road  
Twickenham  
TW2 7SL

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
65 Chudleigh Road  
Twickenham  
TW2 7QP

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
15 Craneford Way  
Twickenham  
TW2 7SB

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
8 Talma Gardens  
Twickenham  
TW2 7RD

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management

Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
58 The Ridge  
Twickenham  
TW2 7NQ

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
14 Rosecroft Gardens  
Twickenham  
TW2 7PX

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals or views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
2 Rosecroft Gardens  
Twickenham  
TW2 7PX

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
97 Redway Drive  
Twickenham  
TW2 7NN

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
111 Hall Farm Drive  
Twickenham  
TW2 7PG

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
62 Hall Farm Drive  
Twickenham  
TW2 7PQ

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
101 Rosecroft Gardens  
Twickenham  
TW2 7PU

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
75 Rosecroft Gardens  
Twickenham  
TW2 7PU

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
41 Heathfield North  
Twickenham  
TW2 7QN

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
20 Heathfield North  
Twickenham  
TW2 7QW

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
45 Godfrey Avenue  
Twickenham  
TW2 7PE

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
26 Godfrey Avenue  
Twickenham  
TW2 7PF

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
27 Heatham Park  
Twickenham  
TW2 7SF

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
5 Heatham Park  
Twickenham  
TW2 7SF

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
14 Denehurst Gardens  
Twickenham  
TW2 7PY

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
37 Heathfield South  
Twickenham  
TW2 7SR

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
99 Heathfield North  
Twickenham  
TW2 7QN

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing

Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
16 Milner Drive  
Twickenham  
TW2 7PJ

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management

The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
26 Kendrey Gardens  
Twickenham  
TW2 7PA

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
25 Egerton Road  
Twickenham  
TW2 7SL

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
7 Elmsleigh Road  
Twickenham  
TW2 5EG

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
47A  
Crane Road  
Twickenham  
TW2 6RX

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping.

Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
53 Lincoln Avenue  
Twickenham  
TW2 6NH

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
21 Mereway Road  
Twickenham  
TW2 6RF

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
40 Grimwood Road  
Twickenham  
TW1 1BX

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping. Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email

your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

## NEIGHBOUR CONSULTATION

7 August 2019

The Owner/Occupier  
Thamesians RFC  
C/o Club Secretary  
1 Linden Road  
Hampton  
TW12 2JG

Dear Sir/Madam,

**Application:** 19/2381/RES

**Our ref:** DC/SGR

**Proposal:** Detailed Reserved Matters application including Appearance, Landscaping, Layout and Scale for the Tech Hub Development Zone pursuant to Conditions U08030 and U08031 of Outline Planning Permission 15/3038/OUT dated 16/08/2016. Demolition of existing sports hall and the construction of a 2-storey office building (Use Class B1) together with associated parking, cycle parking and landscaping.

Outline Application 15/3038/OUT constituted Environmental Impact Assessment (EIA) development and a full Environmental Statement (ES) was submitted in support of the outline application.

**Site:** Richmond Upon Thames College Egerton Road Twickenham TW2 7SJ

The above application has been received and plans and details can be viewed on the Council's website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning), online at local libraries and at the Civic Centre, 44 York Street, Twickenham. Library opening times and contact information can be found on the Council's website at [www.richmond.gov.uk/libraries](http://www.richmond.gov.uk/libraries).

**We have made improvements to the information available online, including being able to track the progress of an application via the website. Decisions are usually made between weeks 6-8. To review the progress of the application, including whether a decision has been made, visit the website at [www.richmond.gov.uk/searchplanning](http://www.richmond.gov.uk/searchplanning)**

Please note that putting applications on the website can take a little longer than sending letters to neighbours.

Your written views are invited on the application and the attached notes are for your guidance. Please advise any freeholder or leaseholder of this letter as they may wish to comment. Your particular attention is drawn to the paragraph 'Taking Your Views Into Account', which explains the procedure governing when there is an opportunity to speak to Members about a particular application. Since most applications are decided between 6-8 weeks after receipt all views submitted will be carefully considered right up to the final decision stage. However, to be certain your views will be taken into account they should be sent to us within 21 days of the date of this letter i.e. 28 August 2019.

**It is preferred that you submit your views online and your comments will then be automatically published on the Council's website.** However, if you wish to email your views please ensure that you supply a postal address and send your correspondence to Planning at the email address below. Please ensure you also quote the reference number 19/2381/RES.

Any letters and email representations received will be included within the hard copy case file available for public inspection, but may not appear on the Council's website. Do not include any sensitive information with the details you send to us. A copy of the Council's Personal Information Policy is available on the Council website.

For information it is a legal requirement to publicise all planning applications either by letter or by site notice. It is our practice to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter, but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications.

Head of Development Management  
London Borough of Richmond upon Thames

## Objecting to or supporting a planning application

If you are a neighbour of a planning application site or a local resident, you may have been informed about it by letter from the Planning Department or have seen the proposal advertised on the site or in a local newspaper. If you have views for or against a planning application proposal you can submit them to the Council.

If you wish to comment on an application, please do this in writing to the planning officer who is dealing with the application (see 'How to comment' below). It may be something that can be changed during the application process. Should you have any queries, please contact us on 020 8891 1411. We do not acknowledge receipt of letters commenting on applications.

### How we consult on planning applications

It is a legal requirement to publicise all planning applications either by letter or by site notice. It is the practice at Richmond Council to publicise more widely than is required. Not only do we seek to consult adjoining neighbours affected by a proposal by letter but notices may also be published in the local paper and/or may be displayed on or close to the site (for at least 21 days) for many applications. These include those which would affect the character or setting of a listed building, or the character of a conservation area, or which in the Council's opinion are likely to have implications for more than the immediate neighbours. We also consult neighbouring Boroughs where appropriate and consult directly any properties in other Boroughs that are directly affected by the proposal.

We encourage and advise applicants to talk to their neighbours informally before submitting their application. This will not affect the consultations that we will carry out. A weekly list of all applications received is posted on our website and is available for inspection at the Civic Centre.

As a neighbour, you will be given 21 days to comment. It is helpful to us to know your views whether you support the proposal, object to it, or merely have a view to express about it.

The Council's practice is to negotiate improvements to applications and, if possible, overcome objections made by neighbours. If an application is amended and we believe the amendments raise new issues, then we will write to you again giving you 14 days to make any further comment.

### How to comment

Comments may be made by anyone, regardless of whether they were consulted by letter. Before you express an opinion on a proposal it is usually helpful for you to be able to see the detailed plans of the scheme. The details of planning applications, including drawings, are available on the Council's website at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning), and can be viewed online at the Civic Centre between 9am and 4:30pm Monday to Friday, or at your local library.

We are aware that many people for various reasons, including the elderly and people with disabilities may have difficulty viewing documents online, or visiting the Civic Centre or their local library. In such circumstances we may be able to arrange to lend a copy of the plans or visit the person at home. If this is the case for you then please contact the department as soon as possible.

Comments on planning applications should be made in writing. The preferred method is by submitting your comment online at [www.richmond.gov.uk/planning](http://www.richmond.gov.uk/planning). Comments can be sent by post to London Borough of Richmond upon Thames, Development Management, 2nd Floor Civic Centre, York Street, Twickenham TW1 3BZ.

Please quote the reference number of the application and your own postal address, so that we may write to you if necessary. If you have difficulty, please contact us on 020 8891 1411.

Please note, we cannot accept anonymous objections/letters of support and therefore we require a full postal address with any representation made.

### What is a valid objection?

The Council can only take into account 'material planning considerations' when looking at your comments. The most common of these (although not an exhaustive list) are:

- Loss of light or overshadowing
- Overlooking/loss of privacy
- Visual amenity (but not loss of private view)
- Adequacy of parking/loading/turning
- Highway safety
- Traffic generation
- Noise and disturbance resulting from use
- Hazardous materials
- Smells
- Loss of trees
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Landscaping
- Road access
- Local, strategic, regional and national planning policies
- Government circulars, orders and statutory instruments
- Disabled persons' access
- Compensation and awards of costs against the Council at public enquiries
- Proposals in the Development Plan
- Previous planning decisions (including appeal decisions)
- Nature conservation
- Archaeology
- Solar panels

We cannot take into account matters which are sometimes raised but are not normally planning considerations, such as:

- The perceived loss of property value
- Private disputes between neighbours
- The loss of view
- The impact of construction work or competition between firms
- Restrictive covenants
- Ownership disputes over rights of way
- Fence lines etc.
- Personal morals of views about the applicant.

**It is important to understand that the material considerations relevant to any particular application will need to be weighed in the final decision process according to their seriousness and relative importance.**

### **Taking your views into account**

When we receive your comments these will be placed on the planning file, with comments made online appearing online for public inspection. Many decisions are taken by officers under 'delegated powers', after consideration of any representations. Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

There may be an opportunity for a limited number of interested parties to address the Planning Committee in person. **Should you wish to reserve the opportunity to address the Planning Committee it is important to indicate this in any written representations you submit.** However, if objecting to an application clearly compliant with Supplementary Planning Guidance/Documents (SPG/SPD) and/or policy you do not have the opportunity to refer it to the Planning Committee.

Equally, if supporting an application clearly departing from the SPG/SPD and/or policy you do not have the opportunity to refer it. If the Officer's recommended decision is the same as the one that you want then the application is normally dealt with under delegated powers.

The Committee agenda is published five days before the meeting and is available to view on our website or in the Council offices. The meetings are held in public at York House usually every two weeks. If the application on which you have commented is to be heard by the Planning Committee we will write to you and invite you to come and speak at the meeting. If you prefer, you can contact your local Councillor and ask if they would put forward your views at the meeting. **You will need to register to speak after we advise you of any Committee meeting date.**

The names and contact details of the Councillors on the Planning Committee and your local Councillor can be found on our website. Alternatively, we can send these to you. It should be noted, however, that Councillors who are voting members of the Planning Committee cannot express a view on any comments sent to them if they wish to participate in the decision-making process at a later date. For this reason, interested parties may wish to avoid sending views to these members and send them direct to the Planning Department.

Documents submitted for consideration in respect of planning applications, including representations relating to an application, are made available for inspection by the public. Please clearly specify in your documentation any personal information that you do not want available to the public. We will contact you if we need to discuss this further with you.

### **Letting you know the outcome**

It is not usually possible to respond to questions raised in individual letters, however, we appreciate how important planning decisions are to people. As a result, once a decision has been made on an application on which you have made a comment, it will be possible to view the report prepared by the case officer on our website. Amongst other things the report will set out the planning policies that are relevant and address your comments so that you can see how the decision was reached. The Decision Notice will contain the conditions that have been put on any approved application or the reason(s) for refusal.

### **What happens if the application is refused?**

Every applicant has the right to appeal to the Secretary of State for Communities and Local Government (The Planning Inspectorate) if aggrieved by the Council's decision to refuse the application, or conditions imposed on a grant of permission. There is no third party right of appeal against the decision. Any comments you have made previously will be passed to the Inspectorate.

If someone near you has appealed against a refusal of planning permission, the Council will inform all occupants of properties that it considers might be affected by the proposal and tell them whether the appeal is to be dealt with by the written method, informal hearing, or public inquiry. Members of the public may attend a public inquiry or informal hearing and will be given the opportunity to express their point of view. The final decision on all appeals is taken either by an Inspector from the Planning Inspectorate or occasionally by the Secretary of State.

**If you need this leaflet in Brialle, large print, audio tape or another language, please contact us on 020 8891 1411 or text phone 020 8831 6001.**
