Type of comment: Object to the proposal

- Comment:**
- 1.the area is not sufficient for the density of housing proposed.
 - 2Too little parking space has been allocated for the number of housing units proposed
 - 3 There is not adequate access for traffic to the site as Hi the roads are very narrow and access is limited by the railway.
 - 4 There is insufficient public/play space for the number of children expected.
 5. There will be a lot of pressure on local amenities such as schools water sewage et cetera.
 - 6 The new planning does not address my original concerns.
