Dear Mr Dolman,

Thank you for your email which has been forwarded to Thomas Faherty who will add your comments onto the case file. All comments are made available for public viewing on our website. If you wish to view the current progress of this application please click on the following link:

http://www2.richmond.gov.uk/PlanData2/Planning_Search.aspx

Please be aware the Council can only take into account 'material planning considerations' when looking at your comments. The most common of these are shown in the link below:

http://www.richmond.gov.uk/what_is_a_valid_objection_to_a_planning_application

Where an application is to be decided by the Planning Committee a summary of all representations are included in the report to them.

We are conducting a Customer Experience Survey to gather customer feedback to help improve our services. The survey only takes 5 minutes and can be completed by using the link below.

Re: Greggs Redevelopment

We are concerned that one of the exterior walls of the current Greggs building backs on to the end of our garden and indeed our fence is attached to the said Greggs wall which defines the end of our plot

Overlooking and loss of privacy is an issue

Noise pollution during the redevelopment is a concern

Parking spaces is an obvious area for improvement

However, we do want this building to be redeveloped so that particular area of the community can be improved
