Subject: 19/0646/FUL greggs redevelopment

Hello,

I just wanted to check on this development.

My name is Keith Matthews

I own with my wife Leigh

67 mereway road

Twickenham

Tw26rf

We cannot understand how you are planning on building 116 flats without adequate parking and infrastructure. 5 floors of flats is obscene.

This area is already crazy for driving and parking we have only recently moved to permits of which even in the evening or late night we struggle for a space so not sure your plans for a further 100 + cars are they going to be able to park in our zone? And with this many people and cars it will be a nightmare trying to get in and out.

You could then also have 200 more people using transport facilities, etc and I'm not sure how this area will cope.

What community space will there be for these people? Surely less people and more space for them would benefit them as well as us rather than just benefiting the developers.

Kind regards

Keith
